Carlotta Nani
Geneva, Switzerland
Italian (EU) citizen

Education

PhD in Economics, Geneva Graduate Institute (IHEID) **2018 - 2025**
Summa Cum Laude
Supervisors: Prof. Lore Vandewalle. Second reader: Prof. Julia Cajal-Grossi

Visiting Scholar in Public Policy, New York University (NYU) **2023**
Supervisor: Prof. Jonathan Morduch

MSc in International Economics, Geneva Graduate Institute (IHEID) **2015 - 2017**
Supervisor: Prof. Joëlle Noailly

BSc in Economics and Finance, Bologna University **2011 - 2015**

Experience

World Intellectual Property Organization (WIPO) **2024 – present**
Economics Fellow. Innovation Economy Section *Geneva, Switzerland*

- **Research and indicators:** lead quantitative research on participation in innovation and technology adoption of women and under-represented groups, building statistical indicators from survey and large administrative datasets with Stata, R and Python.
- **AI analysis tools:** piloting AI pipelines (AWS SageMaker and Bedrock) to recover applicants' gender and location in large administrative IP datasets.
- **Technical training for governments:** delivered workshops on data systems and policy impact assessment methodology for national statistical and IP offices in El Salvador, Bhutan, Indonesia and Côte d'Ivoire.
- **Publications:** published a working paper and book chapter on gender differences in awareness of IP rights; co-authored a report on gender gaps in industrial designs in Central European and Baltic States; contributed to four country profiles on innovation ecosystems in low- and middle-income countries; co-editing a CEPR eBook.
- **Briefings and events:** drafted talking points, literature reviews and country profiles for the Chief Economist and the Assistant Director General; organised two conferences, a regional event with Latin American government offices and two special sessions at EPIP 2025 and 2026; spoke on panels.

Geneva Graduate Institute (IHEID) **2019 – 2024**
PhD Research Fellow. Center for Finance and Development *Geneva, Switzerland*

- **Principal investigator:** randomised controlled trial in Bangladesh with 1,500 participants on perceived abilities and gender stereotypes within the household. Ran the study end to end as sole PI: power calculations, pre-analysis plan, survey design and programming, and three survey rounds (June–September 2022) with a field team of 20 enumerators and research assistants.
- **Co-principal investigator:** multi-year randomised controlled trial with 300 small businesses and 1,200 employees on mobile money and women's economic empowerment (with X. Giné, J. Goldberg, A. Sivaram and L. Vandewalle). Ran power calculations, designed and programmed the surveys, and coordinated three survey rounds (2020–2024).
- **Field management:** based in Bangladesh for three four-month periods (12 months in total) to lead fieldwork; coordinated with BRAC, bKash and a local survey firm; recruited enumerators with the survey firm, wrote the training materials and oversaw the training.
- **Data quality and analysis:** set up high-frequency checks and back-checks during fieldwork, cleaned and analysed the data, and drafted two working papers.
- **Mixed methods:** ran focus groups at baseline, midline and endline of the first trial, and at baseline of the second, to complement the quantitative results.
- **Budget, funding and compliance:** drafted project budgets; secured grants from the Swiss National Science Foundation (CHF 49,000) and COREC Doc Mobility (CHF 25,200); obtained ethics approvals and reported to funders.
- **Teaching:** teaching assistant for master's students in impact evaluation, using Stata and R.
- **Policy brief:** designed survey instruments and coordinated data collection for an International Growth Centre policy brief on COVID-19 and self-help groups in India (2020).

International Labour Organization (ILO) **2018**

Policy Intern. Gender, Equality and Diversity Branch *Geneva, Switzerland*

- Data analysis and visualisations for the report *Care jobs and care economy: the future of women at work*; country and regional profiles for the International Labour Conference.

World Trade Organization (WTO) **2017**

Research Assistant. Economic Research and Statistics Division *Geneva, Switzerland*

- Coded and digitised Committee on Agriculture data for a WTO working paper.

German Institute for Economic Research (DIW Berlin) **2016**

Research Assistant. Security and Development Department *Berlin, Germany*

- Built weather-shock indicators with GIS for a paper published in the *Journal of Population Economics*.
